

Nicholas Batschynsky's Website

Nicholas Batschynsky's Website is a collection of information about myself whereby prospective employers, clients, or educational institutions can view my resume, social media profiles, and explore some of my work.

This website includes personal information to provide some context for who I am as a person as well. My goal is to combine both professional and personal information to give anyone viewing this website a general idea of who I am as a person, and convince them that I am a worthy candidate for their business or future endeavors.

Personas

Future Employer

CEO or recruiter of a large business

Future Client

Prospective client currently searching for someone with my skill set

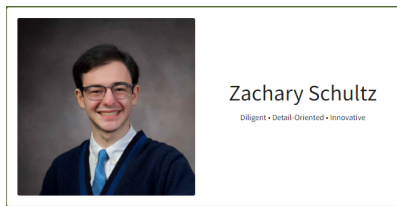

Future Dean of a University

Dean of an established educational institution looking for new professors or speakers
